Dear Mrs Vasireddi,

**WHO Prequalification Team – Medicines  
Closing of Inspection**

Thank you for your email dated 30 December 2013 and the corrective actions to the observations listed in the inspection report following the inspection as detailed below:

Name: Vimta Labs Limited, Life Sciences Facility  
Address: Plot No. 5, Alexandria Knowledge Park  
(Formerly S.P. Biotech Park), Genome Valley  
Hyderabad 500078, India  
Date: 21 to 23 August 2013

The actions taken or proposed to be taken in relation to the observations listed in the WHO inspection report have been reviewed by the inspectors. In general, they are considered acceptable and will be verified during future inspections.

The laboratory is considered to be operating in compliance with WHO Good Practices for Pharmaceutical Quality Control Laboratories (GPPQCL).

The laboratory has been prequalified since 17 July 2008. As the above-mentioned inspection re-confirmed its compliance with GPPQCL, the laboratory is retained in the WHO list of prequalified quality control laboratories. The areas of expertise inspected and considered prequalified are specified in the list, which is published on the WHO website at [www.who.int/prequal](http://www.who.int/prequal).

Please do not hesitate to send an email to [prequalinspection@who.int](mailto:prequalinspection@who.int) should you require any further information regarding the closure of this inspection.

Yours sincerely,

Dr Deus Mubangizi  
Group Leader – Inspections
